

CAN YOU HELP US?

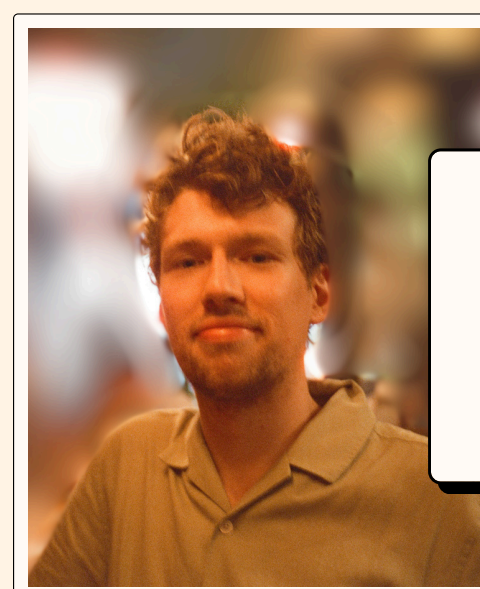

We are looking for research participants to help us better understand the role of memory in anxiety difficulties.

Who can take part?

We are looking for volunteers who are:

- 18 years or over
- Currently reside in the UK
- Fluent in English

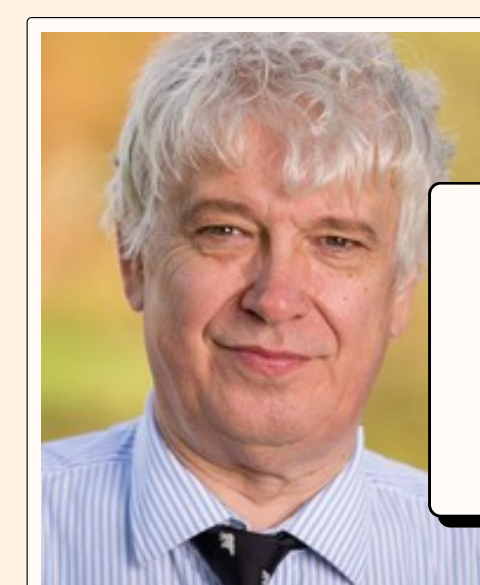

Research Team

Colm Ellis-Nee
Trainee Clinical
Psychologist

What does it involve?

Participating in this research will involve completing a 20 minute online questionnaire.

Paul Salkovskis
Principal
Investigator

How can I find out more?

If you would like to participate you can access the survey here
